Sir Christopher Wren

Scientist Scholar And Architect

Lawrence Weaver

This 1923 monograph on the life and work of Sir Christopher Wren was written by Lawrence Weaver, an English architectural writer and editor. Though this recording naturally omits the illustrations and photographs of the printed edition, the text is clear, informative, and interesting. Wren comes to life and his work is knowledgeably described by an expert in architecture.

Total running time: 4:15:29 Fifteen Files
